

Termination of study agreement

If the Student Contract is concluded by means of remote communication, you have the right to revoke the Student Contract without a statement of reasons: The period for revocation is 14 days from the date of the conclusion of the contract, i.e. from receipt of the contract countersigned by you, which you have sent to us by email (send date of the email). If you revoke this contract, we will repay the amount of the payment we have received from you without delay, at the latest within fourteen days from the date on which we have received your notice of the revocation of this contract. No fees will be charged for this repayment.

If the offered academic programme is not realised because the minimum number of participants was not reached, the University expressly reserves the right to withdraw from this Student Contract. In that case, the registration will be withdrawn. Any tuition fees having already been paid at that time will be refunded in the full amount to the Student.

- (1) Termination before the start of studies: Ahead of the start of studies, students can terminate the student contract with a notice period of **1 month** until the last day **before semester start**. In this event, a one-off fee in the equivalent amount of 1/6 of one gross semester fee is payable according to the information under 'Contract data' of this Student Contract.
- (2) Ordinary termination: **After the semester start**, the Student Contract can be terminated ordinarily with a notice period of 1 month **before the end of the respective semester**. If the termination is not declared within due time for the next semester, the full fee for the semester shall be paid.
- (3) Termination for non-issuance of a visa for Non-EU-students: If the visa for Non-EU Students is not issued by the competent German consulate on time for the start of studies, the Student Contract can be terminated without notice period. This applies only if the refusal of the visa is not the student's fault and if it is proven by presentation of the rejection letter from the German consulate. The reservation fee shall be refunded, less a processing fee of €150.00.
- (4) Termination during a leave semester: If the Student Contract is terminated during a leave semester, which was requested after the prescribed period for this (see § 5 (6)), one full semester tuition fee shall be paid retrospectively instead of the fee for a leave semester.
- (5) Extraordinary termination: In the event of an extraordinary termination of the Student Contract by the University, which is due to the student's conduct, the tuition fees for the complete semester will remain payable.
- (6) Postponement of the start of studies: If the Student terminates his/her contract prior to the start of studies, a fee will be invoiced, as it would have had to be paid, had the Student cancelled on the date of the postponement.
