Why study this programme?

Digitalisation, globalisation and an increasing demand for sustainability pose challenges for companies today. They are looking for qualified specialists and managers who can identify and implement innovative and future-oriented business models. In this full-time MBA programme at UE, you will be prepared for these challenges over the course of one year through practice-based teaching and interdisciplinary modules. Our excellent professors from science and business individually address your competence development and strengthen your professional profile.

Whether your goal is to become a manager in an international company, an executive assistant or even create a local start-up – you will be equipped with the skills and confidence required to succeed in your profession.

The first German degree in Dubai!

The University of Europe for Applied Sciences (UE) is a German state-accredited private university that educates the innovators and decision makers of tomorrow. UE is the pioneer in providing German degrees in Dubai, with undergraduate and postgraduate study programmes designed to meet the demands of the current and future job market.

UE Dubai opened in September 2023 in the heart of the Dubai World Trade Centre site at One Central, located in the Dubai Future District, next to the Museum of the Future.
